

- How to Play :

As the robot rabbit in the game, you will go through obstacles to reach the egg. Collect as many eggs as possible.

- Rewards :

1. The player goes through obstacles and collects eggs. Collect as many eggs as possible and receive the rewards. The reward will be granted only if the participant has logged into the MSI Reward Program.
2. The Participant will be granted 25 reward points after playing the challenge.
3. The participant will be granted a bonus of 100 points after collecting 30 eggs. The bonus points will be delivered after the campaign ends (May. 12th, 2023).
4. Multiple play-throughs are permitted but the reward points will be granted only once per account.
5. Participants can enter the grand raffle on the campaign landing page or visit <https://rewards.msi.com> to redeem the awards with the reward points.
6. For more specific rules please read the Terms and Conditions.
